The Bear Dance

The print featured near the bar was commissioned by Peter Roland, Sr., the founder of The Dancing Bears Lounge, and was inspired by the painting by William Holbrook Beard from 1870. The Bear Dance, depicting a rather exclusive party in a forest clearing, is also known as The Bears of Wall Street Celebrating a Drop in the Stock Market, and The Wall Street Jubilee. The painting's extraordinary popularity, however, is due almost entirely to an audience of children, who are delighted by the dancing bears and are free from the concerns of Wall Street.
