WARNING TO SKIERS: Nordic skiing, like many other sports, contains inherent risks including, but not limited to the risk of personal injury including, catastrophic injury, or death, or property damage, which may be caused by variations in terrain or weather conditions; or, surface or subsurface snow, ice, bare spots or areas of thin cover, moguls, ruts, bumps; or other persons using the facilities; or rocks, forest growth, debris, branches, trees, roots, stumps; or, other natural objects or man made objects that are incidental to the provision or maintenance of a ski facility in New York State. New York Law imposes a duty on you to become apprised of, and understand, the risks inherent in the sport of skiing, which are set forth above, so that you make an informed decision whether to participate in skiing notwithstanding the risks. New York law also imposes additional duties upon you, to which you must adhere, for the purpose of avoiding injury caused by any of the risks inherent in skiing. If you are not willing to assume all of these risks and abide by these duties, you must not participate in skiing at this area.
